Like "We stumble, but we don't fall, and we pick ourselves up and we keep walking -- walking on a road that is built from the bodies and the dreams of those who have gone before us." Signal to Noise: Neil Gaiman: Bloomsbury Children's Books 'Signal to Noise does not entertain. It scratches, it provokes, it frightens. It tells you things you don't want to know but then twists you inside out by saying, look harder and see the poignance, the beauty of light dancing on life's edge, truth that is as simple and direct as death' Jonathan Carroll, from his introduction. Signal to Noise: Neil Gaiman: 9780747588436: Amazon.com: Books Signal To Noise kind of defies or reinvents the meaning of graphic novel, or maybe morphs it into something even more artistic. This is hardly news to anyone familiar with the work of Dave McKean and Neil Gaiman and their collaborative work over the years.

What is Signal to Noise Ratio (SNR)? What to look for ... Signal-to-noise, then, is simply the ratio of desired signal (S) in relationship to unwanted noise (N). When we think about signal-to-noise in our audio equipment, we're simply asking if our equipment is quiet enough to carry the audio signal without being distracting.
